

To whom it may concern,

On January 11, 2016, we sent an email to all bidders informing everyone of a delay in announcing the lowest and best bidder for the Juvenile Reef Fish Habitat Project. We are still reviewing all the paperwork that was submitted in reference to this bid. We will let you know no later than Friday, January 29, 2016, who the lowest and best bidder is.

Thank you for your patience with the MDMR in this matter. If you have any questions, please feel free to give me a call.

Sincerely,

Procurement Personnel
